

Santa Cruz County Fire Department

Master Plan legend of terms for March 16, 2011:

Responsible: County Fire Management

= County Fire management and all staff members

Responsible: Volunteer Company Officers in collaboration with County Fire Management

= VCF first means lead on issue and "in collaboration" means equally responsible

Responsible: County Fire Management with support of Volunteer Company Officers

= CFM first means lead and "with support" means only help if asked

Target Date: Ongoing with annual report by January 31

= Item has potential \$ implications and this date allows us to adjust next year's funding if necessary

Target Date: Ongoing with annual report by June 30

= item most likely has no \$ implications so we just need to hear how it is going

Target Date: Ongoing with annual report by August 1

= we choose that date at the meeting and all others that are not Jan or June

Target Date: January 31, 2014

= we choose this date as an indication that we do not think it realistic at this time to even consider

Cost: ?

= there appears to be a \$ consideration and we would ask the Commission as a whole to help define

Cost: No Additional Cost

= there does not seem to be a \$ consideration and we would ask the Commission as a whole to affirm
