CAL FIRE Suspends All Outdoor Burning

Felton – Due to the current fire conditions and the amount of fire suppression resources committed to the fires in Northern California, effective today; Friday September 3, 2021 at 12:00 P.M. CAL FIRE suspends **all outdoor open burning** within the State Responsibility Areas and any Local Responsibility Areas under CAL FIRE Contract in the SAN MATEO & SANTA CRUZ Counties.

This burn suspension bans ALL outdoor burning including campfires, warming fires, and ceremonial fires.

This order is made under the authority vested by the Director of the Department of Forestry and Fire Protection as per section 4423.1 of the Public Resources Code. This suspension of burning will be reassessed when critical fire conditions decline and or the amount of fire suppression resources committed to the large fires become locally available.
